

KLEEN No 1 DEGREASER is a low viscosity cleaning fluid blended from non-ionic and anionic surfactants in a solvent base. Formulated with the addition of a coalescent additive for the effective removal of grease deposits and grease film from component parts in the industrial and automotive industries.

APPLICATION

Use as received - brush in well to loosen heavy deposits and then wash off with water. Dry off water and repeat if required.

BENEFITS

- Excellent coverage of materials
- Ideal for use in cleaning baths and parts washers in conjunction with a brush for degreasing automotive and engineering parts.
- Machinery and other parts may also be cleaned in situ without removing from engine mountings.
- Suitable for use with all ferrous and non-ferrous metals.
- Formulated so that low levels of application ensure optimum cost effectiveness in use.
- Versatile product for a wide range of applications

TYPICAL PROPERTIES

Colour:	Clear Green Liquid
pH of Aqueous Solution:	7 (10% aqueous emulsion)
Density @ 15.60C:	0.810

HEALTH & SAFETY, STORAGE AND DISPOSAL

KLEEN No 1 Degreaser has been manufactured to the highest standards and is unlikely to present any significant health or safety hazard when used as recommended by SAR Lubricants. Good standards of personal and industrial hygiene are to be maintained by the user (see Material Safety Data Sheets). In order to protect the environment, the product used should be safely disposed by a licensed contractor. The packaging material should be handled by a recognised reconditioning firm.

Prior to using this product, consult the Material Safety Data Sheet for instructions regarding safe handling and environmental issues. The information contained herein is based on data available to us and is believed to be accurate.

HOWEVER, NO WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY USE, OR ANY OTHER WARRANTY IS EXPRESSED OR TO BE IMPLIED, REGARDING THE ACCURACY OF THESE DATA. THE RESULTS TO BE OBTAINED FROM THE USE THEREOF, OR THE HAZARDS CONNECTED WITH THE USE OF THE PRODUCT.

SAR Lubricants assumes no liability for any alleged ineffectiveness of the product or any injury or damage, direct or consequential, resulting from the use of this product unless such injury or damage is solely attributable to negligence on the part of SAR Lubricants
